Upon your request, we will take reasonable steps to let you know how we have sourced your personal information, unless it is obvious from the circumstances that you would know or would reasonably expect us to have the information (such as where we are dealing with your advisers).

When you give Aon personal information about other individuals, we rely on you to make them aware that you will or may provide their personal information to us, the types of third parties we may provide it to, the relevant purposes we and those third parties will use it for, and how they can access it. If it is sensitive information, we rely on you to have obtained their consent on these matters.
